

DIRECTIONS TO THE GATEHOUSE LODGE

Easton, Grantham, Lincolnshire, NG33 5AP

Ideally situated just off the A1, but down a pretty no-through lane, Easton is just 100 miles North of London, between Stamford (16 miles) and Grantham (8 miles) on the Lincolnshire/Rutland border. Grantham is about 65 minutes by high speed train from London King's Cross, and a short taxi-ride will bring you to Easton in under an hour and a half from London.

DIRECTIONS BY CAR

From the South

On the A1 go under two bridges at Colsterworth. Just after the 2nd bridge take the left turn to Easton/Ancaster and go up over the bridge. Turn right and continue north for c. 1 mile. Turn left into the small Estate village of Easton. Go down into the village and follow the signs to the Easton Walled Gardens Car Park, which is on the left hand side. Go on past the Car Park and turn left at the large memorial Cross. You will find the Gatehouse Lodge in front of you to the left of the arch.

From the North

5 miles south of Grantham you pass through Great Ponton on the A1. Continue for about 3 miles passing Easton Park and Easton Walled Gardens on your left. Turn left off the A1, signposted B6403 to Easton. 1 mile later turn left into the small Estate village of Easton, as above. Go down into the village and follow the signs to the Car Park, which is on the left hand side. Go on past the Car Park and turn left at the large memorial Cross. You will find the Gatehouse Lodge in front of you to the left of the arch.

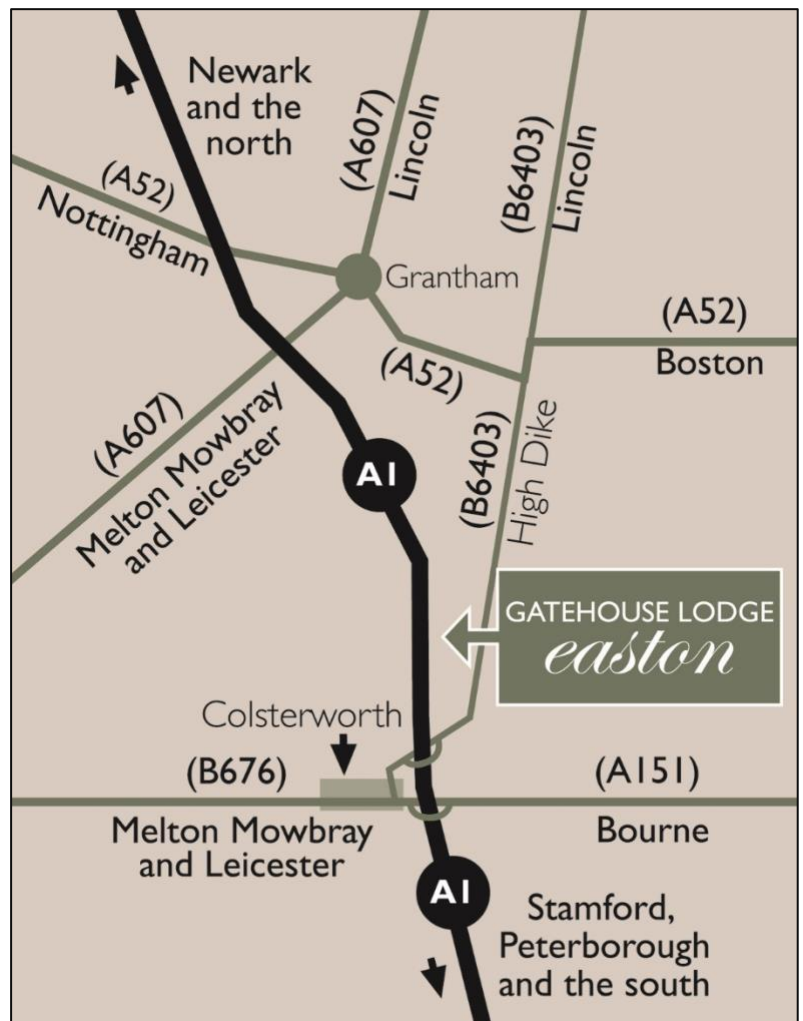

Please feel free to park outside the Lodge in order to unpack, but we would be grateful if you could then leave your car in the space provided just before the gates into the forecourt, which is marked with a sign. Many thanks.

N.B. Our postcode is NG33 5AP. However, if you have satellite navigation it will try and bring you into the village from the A1. This is not possible, you need to come in off the B6403, as on the map.

What3Words [overheard.graceful.plots](https://www.what3words.com/overheard.graceful.plots) will take you to your parking space

Please don't park in the main Gardens' car park – this get locked overnight and we'd hate for your car to be locked in!
